RAMP launches Joint Transnational Call 2026

The first Joint Transnational Call under the Raw Materials Partnership for the Green and Digital Transition (RAMP) is now open, offering nearly €40 million to support transnational research and innovation projects across the raw materials value chain.

The call provides information on:

- ◇ Six call topics covering key challenges across the raw materials value chain
- ◇ Eligibility and consortium requirements
- ◇ Participating countries and funders
- ◇ The two-stage application process
- ◇ Key dates, including the pre-proposal deadline on 22 September 2026

Applicants are encouraged to read the call documents and start building their international consortia early.
